IMPORTANT STUFF TO REMEMBER:

- As in all UIL events, you must pass to perform. Students not passing at for the 1st six weeks will be asked to give up their part.
- All lines must be memorized by September 27th. Play books will not be allowed on stage on or after this date. Do not rely on someone to feed you your lines as it takes up too much time. Know your lines!!!
- Play practice starts at 3:45 and ends at 5:30. Students are responsible for their transportation home.
- Parent and school performances and the Festival will be determined when the Festival date is set at the District meeting in September.
